Totals may not add due to rounding. Appropriations as shown are after supplemental appropriations, transfers, and reprogrammings.

[1] The STEM Education (EDU) account was previously known as Education and Human Resources (EHR) until FY 2023.

[2] Includes only new mandatory funding. Excludes H1-B Non-Immigrant Petitioner mandatory funds.

[3] FY 2017 Request includes $400.0 million in mandatory funding in the R&RA and EDU accounts.

[4] FY 2018 appropriations include Additional Supplemental Appropriations for Disaster Relief Requirements Act of 2018 (P.L. 115-123), which provided NSF $16.30 million in no-year funding to repair radio observatory facilities damaged by hurricanes that occurred during 2017.

[5] FY 2020 appropriations include Coronavirus Aid, Relief, and Economic Security Act (CARES Act) supplemental appropriations (P.L. 116-136), which provided NSF $76.0 million in two-year funding ($75.0 million to the R&RA account and $1.0 million to the AOAM account) to prevent, prepare for, and respond to coronavirus, domestically or internationally, including to fund research grants and other necessary expenses. NSF subsequently transferred $5.0 million from the R&RA account to the EHR account for these purposes.

[6] FY 2021 appropriations include the $600.0 million in American Rescue Plan Act of 2021 (ARP) (P.L. 117-2) supplemental two-year appropriations to fund or extend new and existing research grants, cooperative agreements, scholarships, fellowships, and apprenticeships, and related administrative expenses to prepare for, and respond to coronavirus.

[7] MREFC account level includes $25.0 million in one-time funding for necessary expenses related to RCRV construction impacted by Hurricane Ida as provides in P.L. 117-43, the "Extending Government Funding and Delivering Emergency Assistance Act."

[8] Reflects the anticipated transfer of $15.0 million of carryover within the R&RA account to the AOAM account to be completed in FY 2024. This does not affect funding provided by the Disaster Relief Supplemental Appropriations Act, 2023 (DRS).

[9] Reflects the consolidation of mission support services for EDU and R&RA into R&RA starting in FY 2025.
