

COMPLAINT PROCEDURES FOR STUDENTS – INSTRUCTION RELATED

If a student has a specific complaint about classroom instruction or program procedures/guidelines at the campus he/she is attending, the following steps should be taken. A student has the right to appeal a College decision that he/she believes to have an adverse effect on his/her pursuit of an education or participation in College programs. (For sexual misconduct or disciplinary issues, follow appropriate College guidelines as outlined in the *Student Handbook* or website for student discipline or in Sexual Misconduct Policy).

Step 1: Meet with the Instructor.

The student should discuss the complaint with the person the grievance is addressing--the person closest to the situation (instructor).

Step 2: Meet with the department chair/director.

The student should ask to meet jointly with the instructor and the Department Chairperson/Program Director if the issue has not been resolved in the initial meeting. If the issue is with an online course, email the Distance Learning Department at distancelearning@hindsgcc.edu.

Step 3: Submit a written complaint to the appropriate dean.

If not resolved at the first two levels, the student should [submit a written complaint](#) including related documentation and remedy sought to the appropriate dean responsible for the department. The dean will confirm that the student has followed the appropriate complaint procedures and sought a resolution. The dean will provide the student with a written decision on the resolution of the complaint within seven (7) business days. If the student wishes to progress to the next step in the process, the student has seven (7) business days to respond.

Step 4: Instructional Appeals Committee.

If the student does not accept the resolution from the dean, he/she may request a review of the written complaint to be sent to the Instructional Appeals Committee. The Committee Chairperson will respond to the written request within seven (7) working days. The Committee Chairperson will send a written response to the student filing the complaint. Results will be filed with the instructional dean or e-Learning Dean and he/she shall maintain written instructional student complaints initiated for that campus.

For complaints violating State law, including laws related to fraud or false advertising, students may follow the State complaint process from the Mississippi Commission on College Accreditation (MCCA) at http://www.mississippi.edu/mcca/student_complaint_process.asp. The MCCA will not respond to complaints until the student has exhausted all grievance procedures provided by the institution.
