CONDITIONS AND LIMITATIONS:

1. The aforementioned organization has a perpetual responsibility to maintain compliance with ISO/IEC 27001:2013 during the period of certification.
2. This certificate is subject to the satisfactory completion of annual surveillance audits by FRIS.
3. ISO/IEC 27001:2013 compliance audits are not designed to detect or prevent criminal activity or other acts that may result in an information security breach. As such, this certification should not be construed as a guarantee or assurance that an organization is unsusceptible to information security breaches.
4. The information in this document is provided "AS IS", without warranties of any kind. FRIS expressly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose.
5. This certificate is the property of FRIS and is bound by the conditions of contract. The authenticity of this certificate can be validated by contacting FRIS.
