# NSU Florida

Dear NSU alumni,

At Nova Southeastern University (NSU), we don't just stop swimming after graduation—we remain a Shark for life!

The NSU Alumni Association is here to help you stay connected to your alma mater, no matter where the current takes you. With alumni in all 50 states and across the world, the reach of NSU's alumni network is limitless.

I encourage you to stay involved by attending alumni events, volunteering in the community, supporting student scholarships and experiences, and sharing your Shark Pride on social media.

By keeping your information current, you'll always get the latest on alumni benefits and discounts and receive invitations to participate in rewarding alumni opportunities, like the Global Day of Service and continued education initiatives.

It's an exciting time to be a Shark, and I'm glad you're in our NSU alumni family.

Fins Up—Forever!

There are so many reasons why we love NSU—from its beautiful location to its groundbreaking research projects and community initiatives. We've captured some of our favorite scenes from around campus and throughout South Florida, and featured them on the front of this brochure.
