

# become an erb member today

An ERB membership connects you with a global community of educators and unlocks access to our portfolio of assessments and measurement tools designed to help you support student growth and the whole child. By becoming a member, you can better understand and leverage data to help every student achieve their learning goals and reach their full potential.

## Our Portfolio

- **Admission:** Accept the Independent School Entrance Exam (ISEE), measuring both reasoning and achievement for your applicants, and receive scores at no cost to your school; access fee waivers and test practice for families with demonstrated financial need.
- **Academics:** Measure student academic performance against Independent School Norms with the CTP summative assessment and Milestones interim assessments.
- **Whole Child:** Pair academic assessments with measures of students' social and emotional skills (SelfWise) and well-being at school (Check-In Survey) to support the whole child.
- **Writing:** Administer the Writing Assessment Program (WrAP) and access tools such as ERB Writing Practice and Word Voyage. Explore WRIT, a library of instructional resources, at no additional charge.

## Simplify Data Analysis with Tools and Resources

- Analyze data in ERB 360 Access, our interactive reporting platform, and generate reports for key stakeholders and families.
- Make sense of your data with our fee-based, customized PD training offered through our newly expanded Educational Services function.
- Leverage resources, including webinar recordings, self-help videos, and more.

## Gain Expert Insights from ERB Research and Resources

- Access to exclusive white papers and research
- Opportunities to participate in ERB research and surveys

## Join a Community of Independent School Educators

- In-person regional and national conferences
- Monthly member-only webinars and virtual events

## More from ERB

- **MyERB**, a one-stop member hub with all of the tools and resources you need for successful test administration, access to school data, and professional development
- **EduSight**, ERB's Data-Informed Community of Educators—a membership add-on offering exclusive access to a peer-to-peer forum, exclusive discounts, and more
