

CelcomDigi Prepaid 5G Kuning Plan

This **CelcomDigi Prepaid 5G Kuning Plan** (“Plan”) is a prepaid plan made available by Digi Telecommunications Sdn. Bhd. (Company No. 199001009711 (201283-M)) (“Digi”) subject to the terms and conditions provided herein.

The full terms and conditions of the use of the selected products and/or services is subject to the Digi General Terms and Conditions (“**General Terms and Conditions**”), Digi’s Privacy Notice / Data Protection Statement and Data Protection Obligations / Fair Usage Policy found on Digi’s website at [Digi Privacy Notice](#) all of which form an integral part of full terms and conditions of the products and/or services (collectively referred to as the “**Terms and Conditions**”).

All terms and references used herein shall be the same as the General Terms and Conditions unless otherwise defined. You acknowledge that you have read and fully understood these Terms and Conditions.

Digi.

- Where application services are bundled with the Plan, Digi reserves the sole and absolute right to cease, alter or suspend or substitute the application services bundled offerings at any time without prior notice. For the avoidance of doubt, such alteration, cancellation, termination or suspension by Digi does not entitle the Customers to any claim or compensation against Digi (in cash or in kind) for any and all loss or damage suffered or incurred by the Customers as a direct or indirect result of the act of alteration, cancellation, termination or suspension.
- Digi shall not be responsible in any way in the event that the Customer’s subscription of the Plan was activated by a third party without his/her consent. Digi shall not refund nor compensate the Customer in any manner whatsoever in such situations.
- Digi reserves the rights at its absolute discretion without liability to vary, delete or add to any of these Terms and Conditions, including but not limited to any feature for the Plans, from time to time without prior notice to the Customer as it deems fit. Continued use of this Plan and/or service following any changes to these Terms and Conditions constitutes an acceptance to those changes (if any). Customer accepts to be responsible for regularly reviewing information on the Plan at <https://www.celcomdigi.com>.

- Digi reserves the right to make any alteration or changes to the Terms and Conditions or any part thereof or suspend the Subscription or any part thereof without prior notice and Digi shall not be liable to the Customers for any loss or inconvenience resulting therefrom.

1. Eligibility

- 1.1. This plan is eligible for new Digi Prepaid activation customers, Mobile Number Portability (MNP) customers or customers requesting for change rate plan from other Digi Prepaid Plans.
- 1.2. To use any of the Prepaid Mobile Services, the Customer must be at least twelve (12) years old.
- 1.3. Customers are only allowed to register for the Service a maximum of five (5) Digi Prepaid accounts.

2. Registration

To register for the CelcomDigi Prepaid 5G Kuning Plan starter pack(s), Customers shall provide an original copy of their National Registration Identification Card (NRIC), passport, MyPR, MyKAS, iKAD or IMM13/IMMP to Digi or Digi's appointed dealer. The Customer's CelcomDigi Prepaid 5G Kuning Plan account shall be deemed successfully registered upon receipt of a confirmation SMS from Digi.

3. Plan Rates

- 3.1. The following rates shall apply to the CelcomDigi Prepaid 5G Kuning Plans:

Type of Service	Condition	Rate (RM)
Voice Call	To all networks within Malaysia	30sen/min (60 sec/Block)
Video Call	To all networks within Malaysia	30sen/min (60 sec/Block)
SMS	To all networks within Malaysia	20sen/SMS
MMS	To all networks within Malaysia	50sen/SMS

Basic Internet (Data)	Only for active line	500MB/month (Speed at 64kbps)
-----------------------	----------------------	----------------------------------

- 3.2. Digi will deduct the value of Service used from the Customer's CelcomDigi Prepaid 5G Kuning Plan at the rates stipulated above and/or as may be imposed by Digi from time to time without prior notice.
- 3.3. The rates for International Roaming, International Direct Dial (IDD) and Value-Added Services (VAS) are as published on Digi's official website [here](#).
- 4. Free Basic Internet**
- 4.1. CelcomDigi Prepaid 5G Kuning Plan comes with free basic Internet that is subject to the monthly Fair Usage Policy of 500MB with a speed of up to 64kbps ("Free Basic Internet").
- 4.2. The Customer may continue to enjoy the Free Basic Internet as long as their account validity is still active. If the Customer's account validity is inactive, the Free Basic Internet will be temporarily disconnected until the account is reactivated.
- 4.3. Any unused quota from the Free Basic Internet is not entitled to carry forward and will be forfeited.
- 4.4. This Free Basic Internet will be refreshed every first of the month.
- 5. Credit Expiry/Validity**
- 5.1. The Customer's prepaid credit or airtime balance can only be used when their CelcomDigi Prepaid 5G Kuning accounts are active. To keep the CelcomDigi Prepaid 5G Kuning account active, the Customer is required to perform a credit reload or subscribe to a Monthly Pass or a One-Time Pass or a Super Long Life. Any prepaid credit or balance in the CelcomDigi Prepaid 5G Kuning account cannot be exchanged or redeemed for cash.
- 5.2. The preloaded airtime and validity period for each starter pack is as follows:

Starter Pack	SIM Type	Starter Pack RRP	Bundled Credits	Internet Pass	Validity Period
CelcomDigi Prepaid 5G Kuning (A03)	Preloaded MSISDN	RM10	RM0	10GB	3 days

5.3. Upon expiry of the validity period, the Customer will have sixty (60) days to reactivate the account, failing which their mobile number or account will be automatically terminated without any further notice.

6. Account Lifecycle

6.1. Subscription to a Monthly Pass, or subscription to a One-Time Pass, or purchase a Super Long Life or perform a Credit Reload for Prepaid services will determine the number of active-days to make calls, SMS, and access to the internet (“Active Period”).

6.2. After the end of the Active Period, Customers can only receive incoming calls and SMS until the next subscription up or sixty (60) days from the end of Active Period, whichever is earlier (“Credit Grace Period”). During the Credit Grace Period, all or any balance from unutilised prepaid credit and/or unutilised mobile internet data will be suspended from usage until the account is reactivated via credit reload, subscription of a Monthly Pass or One-Time Pass or purchase of a Super Long Life.

6.3. Customers must perform a credit reload, subscribe to a Monthly Pass or One-Time Pass or purchase a Super Long Life to resume full Service(s) of the Plan before the end of the Credit Grace Period. Failure to do so before the end of the Credit Grace Period will result in termination of the Plan and any unutilised prepaid credit will be forfeited.

6.4.

Lifecycle Status	Description
Active Period (Follows Internet	Prepaid account will be activated when a CelcomDigi Prepaid subscriber:

<p>subscription validity)</p>	<ul style="list-style-type: none"> • Performs a credit reload to prepaid account, thus extending its account validity or • Subscribes to any CelcomDigi Prepaid 5G Kuning Monthly Plan or One-Time Pass. This is attributed to Always Active feature which streamlines both account validity and Internet validity upon Internet subscription • Purchase a Super Long Life
<p>Grace Period (60 days)</p>	<p>CelcomDigi Prepaid account will go into grace period upon expiry of account validity.</p> <p>The grace period serves as an interval for CelcomDigi Prepaid subscribers to perform a credit reload, purchase a Super Long Life, subscribe to a new or renew Internet plan subscription upon expiry.</p> <p>During grace period, subscribers can continue to receive incoming voice calls and SMS, but cannot make any originating voice calls, send SMS or consume mobile data. To reactive a prepaid account in grace period, subscribers are required to perform a credit reload of any amount.</p>
<p>Termination</p>	<p>CelcomDigi Prepaid account will be terminated once the Grace Period is lapsed. Subsequently, the prepaid account number (MSISDN) will be recycled upon termination of Prepaid account.</p>

7. Change of Plan

7.1. Existing Digi Prepaid customers of any prepaid plan can request for a change of plan from existing DigiPrepaid rate plans to CelcomDigi Prepaid 5G Kuning Plan via:

7.1.1. UMB *128*1

7.1.2. In-store

7.2. The Change of Plan process is free of charge.

- 7.3. Upon successful change to CelcomDigi Prepaid 5G Kuning Plan:
- 7.3.1. Customers are not allowed to change back to their original plan.
 - 7.3.2. Customers' original plan's account lifecycle active period will be carried forward to CelcomDigi Prepaid 5G Kuning.
 - 7.3.3. Customers' Credit Balance or any outstanding Talktime Advance will be carried forward to CelcomDigi Prepaid 5G Kuning.
 - 7.3.4. The Grace Period will be reset to 60 days.
 - 7.3.5. Customers are only entitled to carry forward selected CelcomDigi Prepaid 5G Kuning internet plans and other presubscribed remaining internet plan validity and quota balance will be forfeited.

8. Reload and Validity Period

- 8.1. Customer's CelcomDigi Prepaid 5G Kuning account validity will be extended (days) upon every successful reload based on the following Reload Amount and Credit Validity Period table.

8.2.

Reload Amount	Reload Amount (After SST 6%)		Credit Validity Period
	Malaysian	Non-Malaysian	
RM5	RM5	RM4.72	5 days
RM10	RM10	RM9.43	10 days
RM30	RM30	RM28.30	30 days

RM50	RM50	RM47.17	50 days
RM100	RM100	RM94.34	120 days
RM150	RM150	RM141.51	120 days
RM200	RM200	RM188.68	120 days
RM300	RM300	RM283.02	120 days

Note: Minimum reload denomination is RM5 and maximum is RM300

- The Customer will receive credit based on reload amount after Service Tax 6% (SST)

- Non-Malaysian will be subjected to 6% SST

- 8.3. Each reload amount Credit Validity period (days) extension will be effective from the date of Customer's successful of reload individually and will not be accumulative.
- 8.4. No change of the Customer's existing validity period if the Credit Validity extension of the reload is shorter than the existing validity period or before Customer's CelcomDigi Prepaid 5G Kuning account Grace period end date.
- 8.5. The Customer will be notified on the new credit validity period upon successful reload.
- 8.6. Customer can only maintain up to RM1,000 credit balance in his CelcomDigi Prepaid 5G Kuning account at any point of time.

9. Super Long Life Validity Extension

9.1. Super Long Life validity extension shall be applicable to all Digi Prepaid customers who subscribe to the Super Long Life extensions.

9.2.

Super Long Life	Price	Validity

*Please refer [here](#) for the Terms and Conditions.

10.4.1. Note:

10.4.1.1. Data rollover is not applicable for One-Time Passes

10.4.1.2. One-Time Passes are high-speed internet

10.4.1.3. Customers need to be on a 5G capable, supported and enabled mobile device with updated software version, with a 4G LTE enabled SIM, within the 5G network coverage areas to enjoy 5G. Customers who are located outside the 5G network coverage areas will continue to enjoy uninterrupted 4G connectivity on the Digi network.

10.4.1.4. The One-Time Pass is available for use within Malaysia and is not extended to roaming usage.

10.4.1.5. Unlimited Quota* (4G/5G) is subjected to the Fair Usage Policy. Upon full utilization of the Fair Usage Policy, internet usages will be deducted from the Free Basic Internet.

10.4.2. The Customer can subscribe to the respective Passes via any of the following manners ("Subscription"):

10.4.2.1. UMB *118*2# and follow the instructions therein; or

10.4.2.2. MyDigi [app](#)

10.4.3. Upon each successful Subscription, the Customer shall receive an SMS notification from Digi to notify on the successful Subscription

upon which the Customer can start to enjoy the One-Time Pass immediately afterwards.

- 10.4.4. Customer can check the validity period and/or available balance of the One-Time Pass via the MyDigi App or by dialing *118*2*4# for direct dial UMB from the Customer's mobile phone.

10.5. Multiple Subscriptions

- 10.5.1. Monthly Pass: Customers are not allowed to subscribe for more than one Monthly Pass at any point of time. The existing Monthly Pass will be unsubscribed and the remaining validity and quota balance (if any) will be forfeited if Customer subscribes to a new Monthly Pass.
- 10.5.2. Quota Top Up: There is no limit on the number of Quota Top Up purchase. Both the existing and new Quota Top Up will follow the expiry date of the Monthly Pass. Any unutilised quota (if any) will be forfeited upon expiry of the Monthly Pass or Quota Top Up.
- 10.5.3. One-Time Pass: There is no limit on the number of One-Time Pass purchase. Both the existing and new One-Time Pass will co-exist and have its respective expire date based on the subscription date. The internet consumption for the One-Time Pass will be prioritised according to the individual One-Time Pass expiry date. Any unutilised internet quota (if any) will be forfeited upon expiry of the One-Time Pass.

11. Unlimited Pass Fair Usage Policy (“FUP”) for Internet Quota

- 11.1. The Customer who subscribes to any of the CelcomDigi Prepaid 5G Kuning Internet passes stated herein is subject to the Fair Usage Policy (“FUP”) of the unlimited internet quota.
- 11.2. The FUP varies for each weekly and monthly passes which is 20GB for weekly passes and 80GB for monthly passes.
- 11.3. The speed limit varies for each pass as stated herein under clause 10.2.
- 11.4. Upon full utilisation of the FUP, the speed will be reduced to 512kbps until the Internet Pass expires.
- 11.5. Once the Customer has fully utilised the Additional Internet Quota purchased, the Customer’s data usage shall be throttled to the speed of 64KBps.

12. Unlimited Calls to all Network

- 12.1. The Customer who subscribes to any of the Monthly Passes stated herein will enjoy the Unlimited Calls subject to the validity period of the Monthly

Passes under clause 10.2.

- 12.2. The Unlimited Calls apply to all networks and for domestic usages only (i.e. within Malaysian networks) excluding video calls, calls to toll-free numbers, or numbers with special charges (i.e. 1-300/1-800/600, 121, TM100, 1MOCC, IDD calls to Singapore & IDD/border calls to Brunei).
- 12.3. This Plan is for standard person-to-person calls or texts and not for any commercial and/or non-personal usage. Non-standard usage includes but not limited to non-multiple simultaneous calling, conference calling, re-supply, call centre usage, telemarketing, bulk messaging, application-to-person communication, continuously call forwarding, auto-dialling, machine-to-machine communication (including using your SIM card in any other devices), Cellular Trunking Units (CTUs), or any other activity Digi considers to be non-standard usage. Excessive, commercial and/or non-personal usage may be subjected to pay-per-use call rates.

13. Fair Usage Policy

The Customer's use of the Service shall be subject to the terms and conditions of Digi's Fair Usage Policy which is posted on <https://www.digi.com.my/tnc/general>. Digi reserves the right to manage the Customer's allocated bandwidth including but not limited to reducing/throttling the surf speed, interrupt, suspend, cancel, limit the right of access, or terminate the Customer's bandwidth to the internet service in accordance with Digi's Fair Usage Policy.
