Government of India
Ministry of Water Resources, RD & GR
National Hydrology Project

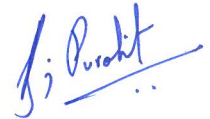

Room No. 208, Block-3
CGO Complex, Lodi Road
New Delhi-110003
Dated: 15.12.2016

Subject: 4th Course on 'River Basin Planning using HEC software' from 6th to 11th February, 2017 under NHP at IIT-Roorkee- reg.

The National Hydrology Project (NHP), MoWR, RD & GR is organizing an Internationally acclaimed short term course on '**River Basin Planning using HEC software**' from **6th to 11th February, 2017** at **IIT Roorkee** for about 20 participants.

The cost for registration, study material, boarding and lodging charges (double bedded rooms), field trip, and local travel shall be borne by MoWR, RD&GR. However, the participants/Implementing Agencies will have to bear the cost of travel expenses, to and fro from Roorkee.

In view of the restriction of the number of Participants, it is requested to nominate one officers from your organization who shall continue to work in the field of river basin planning and have not attended similar training before. The officers may apply online for the course and send the necessary approval from your organisation to the undersigned via email **latest by 16th January, 2017**.
