STATE CORPORATION COMMISSION

CASE NO. BFI-2005-00012

Ex Parte: In re: proposed mortgage lender and mortgage broker regulations

ORDER ADOPTING REGULATIONS

By Order entered in this case on February 11, 2005, the State Corporation Commission ("Commission") directed that notice be given of the Bureau of Financial Institutions' proposal to amend the Commission's Rules Governing Mortgage Lenders and Brokers, 10 VAC 5-160-10 et seq. of the Virginia Administrative Code. The Order and proposed amendments were published in the Virginia Register on March 7, 2005, posted on the Commission's website, and mailed to all licensees under the Mortgage Lender and Broker Act ("the Act"), § 6.1-408 et seq. of the Code of Virginia, and other interested persons. All interested persons were afforded an opportunity to file written comments and request a hearing.

Numerous written comments were filed but no request for a hearing was received. On April 25, 2005, the Commission entered an Order Directing Response to Comments, which required the Bureau of Financial Institutions ("Bureau") to file a response to the comments received on or before June 17, 2005. The Bureau filed its Response to Comments, which was delivered to all commenters. On July 12, 2005, the Commission entered an Order Permitting Further Responses, which authorized all commenters to file a reply to the Bureau's Response on or before August 26, 2005. Several of the commenters filed such a reply.

On January 17, 2006, the Commission entered an Order to Take Notice of modified proposed amended regulations and offered all interested persons an opportunity to file written comments and request a hearing. The Order and modified proposed amended regulations were published in the Virginia Register on February 6, 2006, posted on the Commission's website, and mailed to all licensees under the Act. The Commission received eight comment letters addressing the modified proposed amended regulations but no requests for a hearing.

We have carefully considered the comments of interested persons and the Bureau. In response to such comments, we note that the final version of the regulations that we promulgate today, to be effective September 1, 2006, contains substantial and significant changes from the version initially proposed in the Order to Take Notice that was entered on February 11, 2005, many of which changes were in direct response to comments filed with the Commission.

NOW THE COMMISSION, having considered the record, the modified proposed amended regulations, and all of the comments, responses and replies filed in this case, concludes that the modified proposed amended regulations should be adopted with certain changes to 10 VAC 5-160-20. The Commission further concludes that the effective date of the regulations should be delayed in order to allow licensees a reasonable period of time to modify their practices to conform to the regulations.

Final Regulations

THEREFORE, IT IS ORDERED THAT:

- (1) The attached regulations, 10 VAC 5-160-10 et seq., are adopted effective September 1, 2006.
- (2) The regulations shall be posted on the Commission's website at <http://www.scc.virginia.gov/caseinfo.htm>.
- (3) An attested copy hereof, together with a copy of the regulations, shall be sent to the Registrar of Regulations for publication in the Virginia Register.
- (4) This case is dismissed from the Commission's docket of active cases.

AN ATTESTED COPY hereof shall be sent to the Commissioner of Financial Institutions, who shall forthwith mail a copy of this Order, together with the regulations, to all licensed mortgage lenders and mortgage brokers and such other interested parties as he may designate.

A lock-in agreement can be entered into before mortgage loan approval, subject to the mortgage loan being approved and closed, or after such approval. A commitment agreement which that establishes and sets an interest rate and the points to be charged in connection with a mortgage loan that is closed within the time period specified in the agreement is also a lock-in agreement. The interest rate that is established and set by the agreement may be either a fixed rate or an adjustable rate.

"Lock-in fee" means any fee or charge accepted by a mortgage lender, or by a mortgage broker for transmittal to a mortgage lender, as consideration for making a lock-in agreement, but the term does not include fees paid to third persons or interest.

"Mortgage lender," "mortgage broker," and "mortgage loan" shall have the meaning ascribed to them in § 6.1-409 of the Code of Virginia.

"Points" means any fee or charge retained or received by a mortgage lender or mortgage broker stated or calculated as a percentage or fraction of the principal amount of the loan, other than or in addition to fees paid to third persons or interest.

"Reasonable period of time" means that period of time, determined by a mortgage lender in good faith on the basis of its most recent relevant experience and other facts and circumstances known to it, within which the mortgage loan will be closed.

"Subsidiary" for purposes of subdivision 3 of § 6.1-411 of the Code of Virginia means an entity of which 25% or more of the voting shares or ownership interest is held, directly or indirectly, by a bank, savings institution, or credit union.

10 VAC 5-160-20. Operating rules.

A licensee shall conduct its business in accordance with the following rules:

1. No licensee shall intentionally misrepresent the qualification requirements for a mortgage loan or any material loan terms or make false promises or misleading statements to induce an applicant to apply for a mortgage loan or to induce an applicant to enter into any commitment agreement or lock-in agreement or to induce an applicant to pay any commitment fee or lock-in fee in connection therewith. A "material loan term" means the loan terms required to be disclosed to a consumer pursuant to (i) the federal Truth in Lending Act (15 USC §§ 1601-1647 et seq.), and regulations and official commentary issued thereunder, as amended from time to time, (ii) § 6.1-2.9:5 of the Code of Virginia, and (iii) 10 VAC 5-160-30 of this chapter. A misrepresentation or false or

misleading statement resulting directly from incorrect information furnished to a licensee by a third party [, or a good-faith misunderstanding of information furnished by a third party,] shall not be considered a violation of this section if the licensee has supporting documentation thereof and the licensee's reliance thereon was reasonable.

2. No licensee shall retain any portion of any fees or charges imposed upon consumers for goods or services provided by third parties. All moneys received by a licensee from an applicant for fees paid to third persons shall be accounted for separately, and all disbursements for fees paid to third persons shall be supported by adequate documentation of the services for which such fees were or are to be paid. All such moneys shall be deposited in an escrow account in a bank, savings institution, or credit union segregated from other funds of the licensee.

3. The mortgagor who obtains a mortgage loan shall be entitled to continue to make payments to the transferor of the servicing rights under a mortgage loan until the mortgagor is given written notice of the transfer of the servicing rights by the transferor. The notice shall specify the name and address to which future payments are to be made and shall be mailed or delivered to the mortgagor at least 10 calendar days before the first payment affected by the notice.

4. If a person has been or is engaged in business as a mortgage lender or mortgage broker and has filed a bond or letter of credit with the commissioner, as required by § 6.1-413 of the Code of Virginia, such bond or letter of credit shall be retained by the commissioner notwithstanding the occurrence of any of the following events:

- a. The person's application for a license is withdrawn or denied;
- b. The person's license is surrendered, suspended, or revoked; or
- c. The person ceases engaging in business as a mortgage lender or mortgage broker.

5. Within 15 days of becoming aware of the occurrence of any of the following events, a licensed mortgage lender or mortgage broker shall file a written report with the commissioner describing such event and its expected impact, if any, on the activities of the licensee in the Commonwealth:

- a. The licensee files for bankruptcy or reorganization.
- b. Any governmental authority institutes revocation or suspension proceedings against the licensee, or revokes or suspends a mortgage-related license held or formerly held by the licensee.
- c. Any governmental authority takes (i) formal ~~or informal~~ regulatory or enforcement action against the licensee relating to its mortgage business or (ii) any other action against the licensee relating to its mortgage business where the total amount of restitution or other payment from the licensee exceeds \$20,000. A licensee shall not be required to provide the commissioner with information

about such event to the extent that such disclosure is prohibited by the laws of another state.

d. Based on allegations by any governmental authority that the licensee violated any law or regulation applicable to the conduct of its licensed mortgage business, the licensee enters into, or otherwise agrees to the entry of, a settlement or consent order, decree, or agreement with or by such governmental authority.

e. The licensee surrenders its license to engage in any mortgage-related business in another state in lieu of threatened or pending license revocation, license suspension, or other regulatory or enforcement action.

f. The licensee is denied a license to engage in any mortgage-related business in another state.

g. The licensee or any of its employees, officers, directors, or principals is indicted for a felony.

h. The licensee or any of its employees, officers, directors, or principals is convicted of a felony.

6. No licensee shall inform a consumer that such consumer has been or will be "approved," "preapproved," or "pre-approved" for a mortgage loan unless ~~a mortgage lender has issued a written commitment, after a comprehensive analysis of the consumer's creditworthiness (including verification of income, resources, and other matters typically done as part of a normal credit evaluation program), which is conditioned solely upon (i) identification of a suitable property, if the subject property has not yet been identified; (ii) no material change in the applicant's financial condition or creditworthiness prior to closing; and (iii) limitations not related to the financial condition or creditworthiness of the applicant that a mortgage lender ordinarily attaches to a traditional mortgage application (such as completion of a home inspection, an acceptable title insurance binder, certification of a clear termite inspection, etc.)~~ the licensee contemporaneously provides the consumer with a separate written disclosure (in at least 10-point type) that (i) explains what preapproved means; (ii) informs the consumer that the consumer's loan application has not yet been approved; (iii) states that a written commitment to make a mortgage loan has not yet been issued; and (iv) advises the consumer what needs to occur before the consumer's loan application can be approved. This provision shall not apply to advertisements subject to 10 VAC 5-160-60. [In the case of a preapproval initially communicated to a consumer by telephone, the licensee shall provide the written disclosure to the consumer within three business days.]

10 VAC 5-160-30. Commitment agreements and lock-in agreements.

A. A commitment agreement shall include the following:

1. Identification of the property intended to secure the mortgage loan (this does not require a formal legal description);
2. The principal amount and term of the loan;
3. The interest rate and points for the mortgage loan if the commitment agreement is also a lock-in agreement or a

statement that the mortgage loan will be made at the mortgage lender's prevailing rate and points for such loans at the time of closing or a specified number of days prior to closing;

4. The amount of any commitment fee and the time within which the commitment fee must be paid;
5. Whether or not funds are to be escrowed and for what purpose;
6. Whether or not private mortgage insurance is required;
7. The length of the commitment period;
8. A statement that if the loan is not closed within the commitment period, the mortgage lender is no longer obligated by the commitment agreement and any commitment fee paid by the applicant will be refunded only under the circumstances set forth in subsection C of this section and such other circumstances as are set forth in the commitment agreement; and
9. Any other terms and conditions of the commitment agreement required by the lender.

B. If a lock-in agreement is issued by a mortgage lender or mortgage broker to a consumer, it shall be signed by a representative of the mortgage lender or mortgage broker and include the following:

1. The interest rate and points for the mortgage loan, and if the rate is an adjustable rate, the initial interest rate and a brief description of the method of determining the rate (such as the index and the margin);
2. The amount of any lock-in fee and the time within which the lock-in fee must be paid;
3. The length of the lock-in period;
4. A statement that if the loan is not closed within the lock-in period, the mortgage lender is no longer obligated by the lock-in agreement and any lock-in fee paid by the applicant will be refunded only under the circumstances set forth in subsection D of this section and such other circumstances as are set forth in the lock-in agreement;
5. A statement that any terms not locked-in by the lock-in agreement are subject to change until the loan is closed at settlement; and
6. Any other terms and conditions of the lock-in agreement required by the mortgage lender or mortgage broker acting on behalf of a mortgage lender.

C. If an applicant has paid any commitment fee, and the mortgage loan is not closed due to any of the following, such commitment fee shall be refunded:

1. The commitment period was not a reasonable period of time given the prevailing market conditions at the time the commitment agreement was entered into;
2. The mortgage loan is turned down because of the applicant's lack of creditworthiness; or

3. The mortgage loan is turned down because of the appraised value of the property intended to secure the mortgage loan;

D. If an applicant has paid any lock-in fee and the loan is not closed because the lock-in period was not a reasonable period of time given the prevailing market conditions at the time the lock-in agreement was entered into, such lock-in fee shall be refunded.

E. A mortgage broker shall not issue a lock-in agreement to a consumer unless the mortgage broker has actually locked in the mortgage loan, including the applicable interest rate, points, and other terms, with a mortgage lender. A mortgage broker shall maintain supporting written confirmation documentation from the mortgage lender of all lock-in information for at least three years from the date the lock-in expires.

10 VAC 5-160-60. Advertising.

A. Every advertisement used by, or published on behalf of, a licensed mortgage lender or mortgage broker shall clearly and conspicuously disclose the following information:

1. The name of the mortgage lender or mortgage broker as set forth in the license issued by the commission.
2. A statement that the mortgage lender or mortgage broker is licensed by the "Virginia State Corporation Commission."
3. The license number assigned by the commission to the mortgage lender or mortgage broker (i.e., MB-XXX, ML-XXX, or MLB-XXX).
- ~~4. If licensed solely as a mortgage broker, a statement that loans are funded by third-party mortgage lenders.~~
- ~~5.~~ 4. If an advertisement contains a rate of interest, a statement that the stated rate may change or not be available at the time of loan commitment or lock-in.
- ~~6.~~ 5. If an advertisement contains specific information about a consumer's existing mortgage loan and such information was not obtained from the consumer, a statement identifying the source of such information (e.g., public court records, credit reporting agency, etc.).

B. No mortgage lender or mortgage broker shall deceptively advertise a mortgage loan, make false or misleading statements or representations, or misrepresent the terms, conditions, or charges incident to obtaining a mortgage loan.

C. No mortgage lender or mortgage broker shall use or cause to be published an advertisement that states or implies ~~any of~~ the following:

- ~~1. A mortgage loan will be funded by a mortgage broker.~~
- ~~2. A mortgage loan can be approved or closed immediately.~~
- ~~3.~~ 1. The mortgage lender or mortgage broker is affiliated with, or an agent or division of, a governmental agency, depository institution, or other entity with which no such relationship exists ~~;~~; or
- ~~4.~~ 2. A consumer has been or will be "approved," "preapproved ~~;~~," or "pre-approved" for a mortgage loan,

~~unless a the mortgage lender has issued a written commitment, after a comprehensive analysis of the consumer's creditworthiness (including verification of income, resources, and other matters typically done as part of a normal credit evaluation program), which is conditioned solely upon (i) identification of a suitable property, if the subject property has not yet been identified; (ii) no material change in the applicant's financial condition or creditworthiness prior to closing; and (iii) limitations not related to the financial condition or creditworthiness of the applicant that a mortgage lender ordinarily attaches to a traditional mortgage application (such as completion of a home inspection, an acceptable title insurance binder, certification of a clear termite inspection, etc.) or mortgage broker (i) discloses on the face of the advertisement in at least 14-point bold type that "THIS IS NOT A LOAN APPROVAL" and (ii) clearly and conspicuously discloses the conditions and/or qualifications associated with such preapproval. This provision is intended to supplement the requirements of the Fair Credit Reporting Act, 15 USC § 1681 et seq., relating to firm offers of credit.~~

D. A mortgage lender or mortgage broker shall not use or cause to be published any advertisement that gives a consumer the false impression that the advertisement is being sent by the consumer's current noteholder or lienholder. If an advertisement contains the name of the consumer's current noteholder or lienholder, it shall not be more conspicuous than the name of the mortgage lender or mortgage broker using the advertisement.

E. A mortgage lender or mortgage broker shall not deliver or cause to be delivered to a consumer any envelope or other written material that gives the false impression that the mailing or written material is an official communication from a governmental entity, unless required by the United States Postal Service.

F. If an advertisement states or implies that a consumer can reduce his monthly payment by refinancing his current mortgage loan, but as a result of such refinancing, the consumer's total finance charges may be higher over the life of the loan, a mortgage lender or mortgage broker shall clearly and conspicuously disclose to the consumer that by refinancing the consumer's existing loan, the consumer's total finance charges may be higher over the life of the loan. ~~For comparison purposes, a mortgage lender or mortgage broker shall assume that the consumer's existing mortgage loan and the proposed mortgage loan remain outstanding until maturity. Total finance charges shall be calculated in accordance with the Truth in Lending Act, 15 USC § 1601 et seq., and Regulation Z, 12 CFR Part 226.~~

G. Every advertisement used by, or published on behalf of, a mortgage lender or mortgage broker shall comply with the disclosure requirements for advertisements contained in the Truth in Lending Act and Regulation Z, 12 CFR Part 226.

◆ **TITLE 16. LABOR AND EMPLOYMENT** ◆

DEPARTMENT OF LABOR AND INDUSTRY

Safety and Health Codes Board

Titles of Regulations: **16 VAC 25-90-1910. Federal Identical General Industry Standards (29 CFR Part 1910): Powered Industrial Trucks (amending 16 VAC 25-90-1910.178).**

Statutory Authority: § 40.1-22 of the Code of Virginia.

Effective Date: June 15, 2006.

Summary:

On June 2, 2003, OSHA corrected a 22-year old error by deleting subsection (m)(12) from the Powered Industrial Trucks Standard, 29 CFR 1910.178, covering the use of powered industrial trucks to lift personnel. Section 1910.178 (m)(12) was deleted because it had been invalidly promulgated in 1971 from a nonmandatory provision of a national consensus standard into a mandatory standard. As a result, OSHA determined that paragraph (m)(12) was legally unenforceable (68 FR 32637).

Final Regulations

This current change completes the 2003 correction by removing and reserving the subordinate paragraphs, (i) through (iii), of paragraph (m)(12) of the Powered Industrial Trucks standard, § 1910.178.

The affected paragraphs formerly read as follows:

"Paragraph (m) Truck operations.

(12) [Reserved]

(i) Use of a safety platform firmly secured to the lifting carriage and/or forks.

(ii) Means shall be provided whereby personnel on the platform can shut off power to the truck.

(iii) Such protection from falling objects as indicated necessary by the operating conditions shall be provided."

Note on Incorporation by Reference

Pursuant to § 2.2-4103 of the Code of Virginia, Powered Industrial Trucks, General Industry Standard (29 CFR 1910.178) is declared a document available to the public and appropriate for incorporation by reference. For this reason the document will not be printed in the Virginia Register of Regulations. A copy of the document is available for inspection at the Department of Labor and Industry, 13 South 13th Street, Richmond, Virginia 23219, and in the office of the Registrar of Regulations, General Assembly Building, 9th and Broad Streets, Richmond, Virginia 23219.

On March 7, 2006, the Safety and Health Codes Board adopted an identical version of federal OSHA'S correction to Standard for Powered Industrial Trucks, 29 CFR 1910.178, which was published in Volume 70, No. 189 of the Federal Register on September 30, 2005 (70 FR 57146). The correction as adopted is not set out. This amendment corrects and updates the Virginia Administrative Code at 16 VAC 25-90-1910.178 to conform to 29 CFR 1910.178.

When the regulation, as set forth in the correction to 16 VAC 25-90-1910.178, Powered Industrial Trucks, 29 CFR 1910.178, is applied to the Commissioner of the Department of Labor and Industry or to Virginia employers, the following federal terms shall be considered to read as follows:

Summary:

Federal OSHA revoked three references to outdated national consensus standards and two references to industry standards. By eliminating the outdated references, OSHA will clarify employer obligations under the applicable OSHA standards and reduce administrative burdens on employers and OSHA.

These revisions are part of OSHA's overall effort to update OSHA standards that reference, or that include language taken directly from, outdated consensus standards.

Statutory Authority: § 40.1-22 of the Code of Virginia.

Effective Date: June 15, 2006.

Summary:

The new standard will reduce worker exposure to hexavalent chromium, or Cr(VI), by lowering the permissible exposure limit (PEL) from 52 micrograms of Cr(VI) per cubic meter of air (52 µg/m³) to 5 µg/m³ for all sectors. An exemption is provided for employers who can demonstrate the Cr(VI) exposures under any anticipated working conditions will not exceed 0.5 µg/m³.

OSHA has amended the existing standard that limits occupational exposure to hexavalent chromium Cr(VI) based upon its determination from the best evidence currently available that at the current permissible exposure limit (PEL) for Cr(VI), workers face a significant risk to material impairment of their health. OSHA believes that the evidence in the record for this rulemaking indicates that workers exposed to Cr(VI) are at an increased risk of developing lung cancer and also indicates that occupational exposure to Cr(VI) may result in asthma and damage to the nasal epithelia and skin.

The final rule establishes an eight-hour time-weighted average (TWA) exposure limit of five micrograms of Cr(VI) per cubic meter of air (5 µg/ m³). This is a considerable

reduction from the previous PEL of one milligram per 10 cubic meters of air (1 mg/10 m³, or 100 µg/m³) CrO₃, which is equivalent to a limit of 52 µg/m³ as Cr(VI).

The final standard separately regulates general industry, construction, and shipyards in order to tailor requirements to the unique circumstances found in each of these sectors. The PEL established by this rule reduces the significant risk posed to workers by occupational exposure to Cr(VI) to the maximum extent that is technologically and economically feasible. The adoption of 29 CFR 1910.1026 for General Industry also requires the amendment of the 29 CFR 1910.1000 Air Contaminants Standard. The adoption of 29 CFR 1926.1126 for the Construction Industry also requires the amendment of 29 CFR 1926.55, Gases, Vapor, Fumes, Dusts and Mists. The adoption of 29 CFR 1915.1026 for Shipyard Employment is also included by reference in the amendments to 29 CFR 1917.1, Scope and Applicability, for Marine Terminals and 29 CFR 1918.1, Scope and Application for Longshoring.

On March 7, 2006, the Safety and Health Codes Board adopted an identical version of federal OSHA's direct final rule for Roll-over Protective Structures for the Construction Industry and the Agriculture Industry, 29 CFR 1926.1002, 29 CFR 1926.1003, Appendix A to Subpart W of Part 1926, 29

CFR 1928.51, 29 CFR 1928.52, 29 CFR 1928.53, and Appendix B of Subpart C of Part 1928, as published in the Federal Register on December 29, 2005 (70 FR 76979-77025). The amendments as adopted are not set out. This amendment corrects and updates the Virginia Administrative Code, at 16 VAC 25-175-1926.1002; 16 VAC 25-15-175-1926.1003; and Appendix A to Subpart W of 16 VAC 25-175, 16 VAC 25-190-1928.51, 16 VAC 25-190-1928.52, 16 VAC 25-190.53, and Appendix B to Subpart C of 16 VAC 25-190.

Title of Regulation: **16 VAC 25-175-1926. Federal Identical Construction Industry Standards (29 CFR Part 1926): Subpart R, Steel Erection (amending 16 VAC 25-175-1926.754 and Appendix B of Subpart R).**

Statutory Authority: § 40.1-22 of the Code of Virginia.

Effective Date: June 15, 2006.

Summary:

Federal OSHA has revoked paragraph (c)(3) of 29 CFR 1926.754, which establishes a slip-resistance requirement for the painted and coated top walking surface of any structural steel member installed after July 18, 2006.

29 CFR 1926.754(c)(3) required that coated structural steel meet a specified level of slip resistance when measured using an American Society for Testing and Materials (ASTM) test method. At the time the final rule was issued, ASTM had developed testing methods for two testing machines; however, under ASTM rules, these standards were provisional, pending the completion of precision and bias statements for each. A precision and bias statement is documentation that the test method, in laboratory tests, has been shown to have an acceptable degree of repeatability and reproducibility. OSHA believed that completion of the precision and bias statements was critical to validate these test methods before they could be deemed acceptable for measuring slip resistance under the Standard. (71 FR 2880)

ASTM's technical developments, which needed to occur for employers to comply with the provision by its effective date of July 18, 2006, have not occurred. The ability to comply with the slip resistance provision depended upon two technical developments: (i) completed industry protocols for slip testing equipment and (ii) the availability of suitable slip resistant coatings.

VA.R. Doc. No. R06-224; Filed April 25, 2006, 3:08 p.m.

Rulemaking comments indicated that the test methods were not likely to be completed by the July effective date because ASTM will not have completed the required validation process. Comments also indicated that ASTM will likely withdraw the test methods altogether because they are brand-specific rather than generic. Lack of completed test methods has delayed the development of suitable slip-resistant coatings. Additionally, there has not been adequate testing of coatings to determine whether they have sufficient durability in the variety of applications in which they will be used, especially in corrosive environments.

The revoked testing methods specified in Appendix B of 29 CFR Part 1926 Subpart R (Steel Erection) are:

1. Standard Test Method for Using a Portable Inclinable Articulated Strut Slip Tester (ASTM F1677-96); and
2. Standard Test Method for Using a Variable Incidence Tribometer (ASTM F1679-96)

Note on Incorporation by Reference

Pursuant to § 2.2-4103 of the Code of Virginia, Structural Steel Assembly (29 CFR 1926.754) and Appendix B of Subpart R of 29 CFR Part 1926 are declared documents generally available to the public and appropriate for incorporation by reference. For this reason the documents will not be printed in the Virginia Register of Regulations. A copy of the documents are available for inspection at the Department of Labor and Industry, 13 South 13th Street, Richmond, Virginia 23219, and in the office of the Registrar of Regulations, General Assembly Building, 9th and Broad Streets, Richmond, Virginia 23219.

On March 7, 2006, the Safety and Health Codes Board adopted an identical version of federal OSHA's revised final rule for Steel Erection: Slip Resistance of Skeletal Structural Steel, 29 CFR 1926.754 (c)(3) and Appendix B of Subpart R of Part 1926, which were published in Volume 71, No. 11 on January 18, 2006 (71 FR 2879-2885). The amendments as adopted are not set out. This amendment corrects and updates the Virginia Administrative Code at 16 VAC 25-175-1926.754 (c)(3) to conform to 29 CFR 1926.754 (c)(3).

When the regulations, as set forth in the amended final rule to 16 VAC 25-175-1926.754, Steel Erection, 29 CFR 1926.754, are applied to the Commissioner of the Department of Labor and Industry or to Virginia employers, the following federal terms shall be considered to read as follows:

GENERAL NOTICES/ERRATA

DEPARTMENT OF ENVIRONMENTAL QUALITY

Total Maximum Daily Load (TMDL) Jackson River Watershed

Public meeting: Alleghany County Governmental Complex - Board of Supervisors Room, 9212 Winterberry Avenue, Covington, Virginia (near Low Moor), on Thursday, June 8, 2006, from 4 p.m. to 6 p.m. Directions: From I-64 heading west, take exit 21 (Route 696). Take a right of the exit onto 696, then an immediate right onto Winterberry Avenue (Route 1101). The Alleghany County Governmental Complex is located approximately 1/2 mile on the left side of the road.

Purpose of notice: The Virginia Department of Environmental Quality announces a public meeting to discuss a study to restore water quality in the Jackson River watershed.

Description of study: Virginia agencies are working to identify sources of pollution causing low dissolved oxygen levels and biological impairment (general standard) in the Jackson River watershed. Dissolved oxygen levels periodically fall below the minimum water quality standard, which decreases the suitability of the water to support aquatic life. The general standard indicates the water quality is unable to support a natural aquatic community.

The following is a list of the "impaired" waters, the length of the impaired segment, their location and the reason for the impairment: Jackson River (I04R-11.21 miles), Alleghany, Botetourt, Covington, dissolved oxygen; Jackson River (I04R-24.21 miles), Alleghany, Botetourt, Covington, benthic.

During the study, the state agencies will develop a total maximum daily load, or a TMDL, for the impaired waters. A TMDL is the total amount of a pollutant a water body can contain and still meet water quality standards. To restore water quality, contamination levels have to be reduced to the TMDL amount.

How to comment: DEQ accepts written comments by e-mail, fax or postal mail. Written comments should include the name, address and telephone number of the person commenting and be received by July 8, 2006. DEQ also accepts written and oral comments at the public meeting announced in this notice.

Re: 14 VAC 5-190-10 et seq.: Rules Governing the Reporting of Cost and Utilization Data Relating to Mandated Benefits and Mandated Providers - 2005 Reporting Period

The purpose of this Administrative Letter is to assist carriers in the preparation of the Annual Report of Cost and Utilization Data relating to Mandated Benefits and Providers required pursuant to 14 VAC 5-190-10 et seq. and § 38.2-3419.1 of the Code of Virginia, and to remind all affected carriers of the reporting requirements applicable to mandated benefits and providers for the 2005 reporting year. Each affected carrier must submit a report and it must be in the format prescribed for Form MB-1. It is not acceptable to submit more than one Form MB-1 for a single carrier or to consolidate information from different carriers on one form. The completed Form MB-1 (cover sheet and sections) is due on or before May 1, 2006 and may be submitted electronically. The instructions, representative CPT and ICD-9-CM codes and forms for the 2005 reporting period are available on the Bureau of Insurance's website at:

<http://www.scc.virginia.gov/division/boi/webpages/boimandatedforms.htm>

Carriers should refer to 14 VAC 5-190-40 for an explanation of the circumstances under which a full and complete or an abbreviated report must be filed, or under which a company may be exempt from filing a report. The Virginia total annual written premium for all accident and sickness policies or contracts referred to in this section is the amount reported to the Commission on the company's Annual Statement for the year ending December 31, 2005. This is the amount used to determine if a report is required.

The instructions explain the type of information necessary to complete Form MB-1, and serve to highlight frequent errors and omissions. All sources of information, including 14 VAC 5-190-10 et seq., §§ 38.2-3408 through 38.2-3418.14, as applicable, § 38.2-4221, and CPT and ICD-9-CM codes should be consulted in the preparation of this report. Please note that the CPT and ICD-9-CM codes are not intended to exhaust all medical codes that may be used in collecting data for Form MB-1, but are representative of some of the more common codes associated with the mandated benefits.

Correspondence regarding reporting requirements should be directed to Mary Ann Mason, Senior Insurance Market Examiner, Forms and Rates Section, Bureau of Insurance - Life and Health Division, P.O. Box 1157, Richmond, VA 23218, telephone (804) 371-9348, FAX (804) 371-9944. System related questions or problems should be directed to

Robbie Wright, Microcomputer Systems Analyst, Bureau of Insurance - Agent Regulation & Administration, P.O. Box 1157, Richmond, VA 23218, telephone (804) 371-9992, FAX (804) 225-5797.

Carriers are reminded that failure to submit a substantially complete and accurate report pursuant to the provisions of 14 VAC 5-190-10 et seq., by May 1, 2006, may be considered a violation subject to a penalty as set forth in § 38.2-218 of the Code of Virginia. Lack of notice, lack of information, lack of means of producing the required data, or other such reasons will not be accepted for not submitting a complete and accurate report in a timely manner.

TO: All Companies licensed to Write Life and Health Insurance in Virginia and Interested Parties

RE: Authorization Forms

The Bureau of Insurance (the Bureau), recently reviewed a number of authorization forms used by insurers in Virginia to determine the extent, if any, to which insurers have been requesting, retaining and/or disclosing personal or sensitive information beyond that which is necessary or appropriate to properly underwrite or administer products pursuant to their guidelines. This review was prompted by assertions made by consumers that they were required to sign forms authorizing the disclosure or release of overly sensitive personal information or information relating to conditions that consumers considered to be irrelevant to the requested insurance transaction. There were also concerns expressed that the information would be made available to a wide spectrum of parties and would remain available for excessive or unreasonable periods of time. Finally, concerns were expressed concerning disclosure appearing on these forms suggesting that the forms were specifically developed to comply with HIPAA, thereby implicitly suggesting that insurers were required to ask certain questions in order to comply with federal requirements when, in fact, that may not have been the case. The purpose of this letter is to provide insurers with general guidelines concerning the Bureau's expectations concerning authorization forms, focusing particularly on the findings resulting from this review process.

While the forms reviewed were found generally to be compliant with Virginia law, there were some deficiencies noted:

- Some forms lacked specificity in purpose or function for requesting or disclosing certain information. Rather than specifically identifying sources of information and the purposes for information requests, these forms included general and vague statements indicating that information could be collected or used "for any purpose" or "from any person who has records or knowledge of me and my health".

- Some forms required health or personal information that was not pertinent in any way to the type of coverage or the specific claim investigation involved.
- Some forms were designated as "HIPAA compliant" when, in fact, the type of information requested was not subject to the provisions of HIPAA. While the Bureau has no objection to the inclusion of statements indicating that forms are compliant with certain federal or state regulations, we do expect insurers to verify the accuracy of such statements, and we do object to the inclusion of any statement implying that federal or state rules or laws extend beyond their jurisdiction in form content or presentation.

The Bureau strongly encourages all insurers to review their authorization forms carefully to ensure that they are clear in purpose and intent and that they are fully compliant with all the requirements identified in Chapter 6 of Title 38.2 of the Code of Virginia, with a particular focus on the required content elements identified in § 38.2-606. In preparing all forms, insurers should verify that distinctions identified in various state and federal requirements, (i.e. authorization and consent; medical and personal or privileged information), have been identified and that the related requirements have been appropriately addressed. Finally, insurers should review processes and procedures, including those of their agents and of third parties providing services on behalf of the insurers, to verify that no information beyond that which is necessary and appropriate for product administration is requested, and that appropriate measures have been employed to protect to the fullest extent the privacy of individuals and the confidentiality of information collected about them. To that end, insurers are encouraged to regularly review and update, as appropriate, security programs and procedures to ensure that they are compliant with § 38.2-613.2 of the Code of Virginia.

The Bureau will take appropriate action against any insurers found to be using forms or employing practices (including practices employed by third parties providing certain administrative services on the insurer's behalf), in violation of Virginia law.
