CHRISTIE'S

Top tips for uploading documents

1. Place your ID on a plain background and hold the camera close to the document.

2. Ensure all corners of the ID are visible and all text is clear, then take the photo.

3. Upload your colour image when requested:
   - Recommended format: JPG or BMP (other file formats are accepted)
   - Recommended size: 2 MB to 10 MB
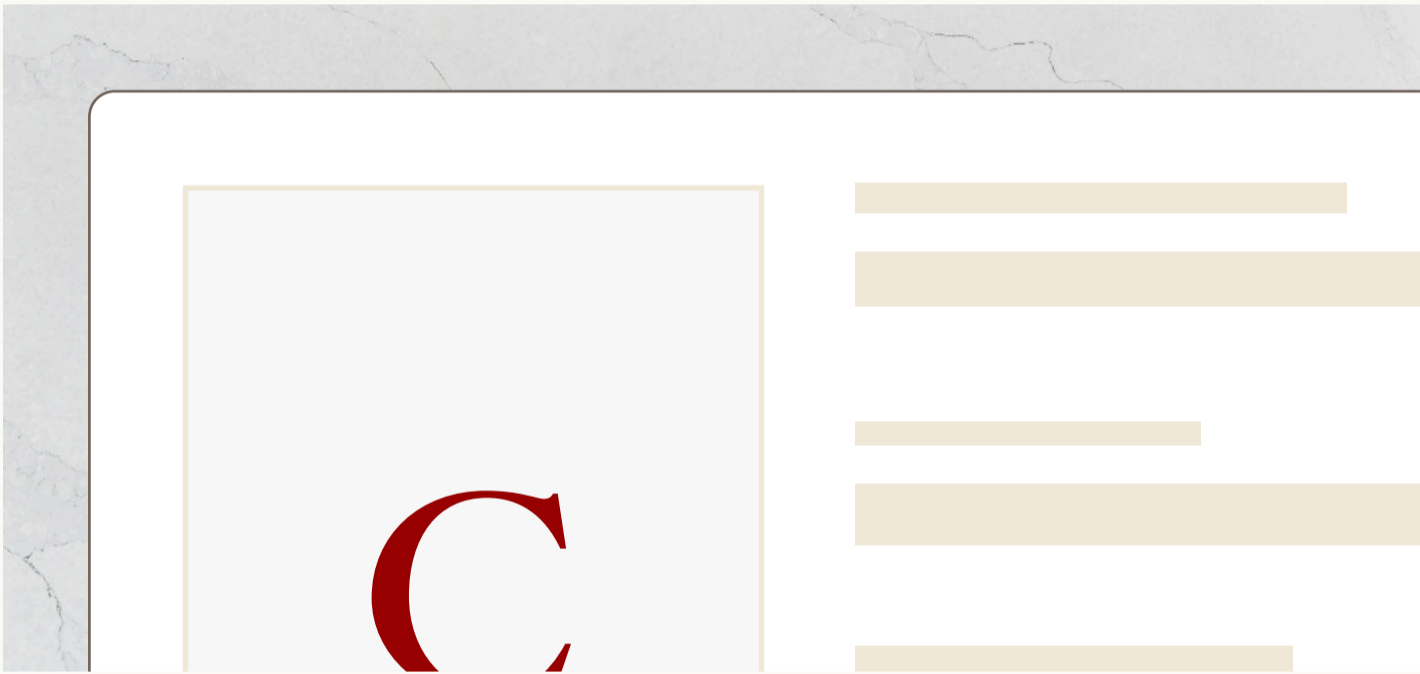

Things to avoid

Glare & reflections

Out of focus/blur

Cropping

Small image or low resolution

Bad light or shadows

Cluttered background

Skewed or angled image

Filter or lens issues
