ACCESSING FREE VIRTUAL INSTRUCTOR-LED TRAINING.....2

### NEW USER ACCESS

- For new users, please reach out to your Tanium Contact who will provide an Organization Enrollment Key
- Once the Enrollment Key is received, go to <https://learn.tanium.com> to register. Upon registering, enter the key into the Enrollment Key Portlet at the bottom of the screen.
- This enrollment key will grant you full access to the Tanium Learning Center including the free training options listed below. The key will also redeem a short introductory course that gives provides an overview of how to navigate the platform.

### EXISTING USER ACCESS

- All existing users can view the list of available free content under the "Free Training" category in the Tanium Learning Center.

- Select the desired course and then select “See All Classes to Enroll”

### ACCESSING FREE WEB-BASED TRAINING

- To view the list of web-based only classes, set the Delivery Type filter to “Web-Based”

- Find the desired training and hit Enroll

English | Web-Based | Class ID: UAT - GSWT - WBT 0 USD

Total duration: 08:00 Hrs | [Check cancellation policy](#)

This is the UAT Class for GSWT WBT.

## ACCESSING FREE VIRTUAL INSTRUCTOR-LED TRAINING

For virtual instructor-led trainings (vILTs), the following courses are available:

- Getting Started With Tanium (English/Japanese Available)
- Tanium Custom Content (English/Japanese Available)
- Tanium Threat Response Analyst (English/Japanese Available)

Due to the class limit of 3 seats per customer account, approval from Tanium's Enablement team is required for enrollment into all free public virtual instructor-led classes.

If there are open seats and less than 3 other learners from the learner's organization already enrolled, approval via email will be granted in 1-2 business days.

To view only classes for your region/availability, learners can use the following filters:

- Set the Delivery Type filter to *Virtual Classroom*
- Filter by *Location* and select the desired Time Zone from the Drop Down menu

Available Classes (2) | [Filters](#)

Language:  Location:  Available from (YYYY-MM-DD):  Delivery Type:

Show classes with at least 1 available seat

[CLEAR FILTERS](#) [APPLY FILTERS](#)

- Each session shows the number of Open and Waitlisted seats
- Once the learner finds the desired class, they can request a seat by selecting **Enroll**

2023-07-03 - 2023-07-03 0 USD

Session Details: 2023-07-03 | 9:00 AM - 5:00 PM (EDT)

English | Virtual Classroom | Class ID: TESTAPPROVALFLOW2

Session 1  
2023-07-03 | 9:00 AM - 5:00 PM (EDT)

**Additional Information**

Is Multi-Partner: false

Training Region: North America

Class Name: AMER: Test Approval Flow Class

[Show Less](#) ENROLL ▼

- This moves the learner into **Pending Approval** state and an enrollment request is sent to Tanium's Enablement team
- All enrollment requests will be reviewed and approved by a member of the Enablement team within 1-2 business days
- Upon approval, learners will receive an email with the subject "*Tanium Learning Center Notice: Your registration for Getting Started With Tanium has been approved*"

#### PROCESS FOR WAITLISTED LEARNERS

- If a class is full and only Waitlist seats are available, learners can request to join the Waitlist
- If a seat becomes available, learners will get an email offering them a seat with the subject "*Tanium Learning Center Notice: There is a seat available in class Getting Started With Tanium - offer expires in 24 hours*"
- If the seat is claimed, learner will be moved to the **Pending Approval** state and will still require approval from the Enablement Ops team.
- Once approved, learners will receive an email and calendar invite confirming their enrollment
