

How to communicate Slido before the meeting?

Along with sending the meeting invitation, it's a great practice to let people know that you'll be using Slido. Below find an invite template for your inspiration.

Dear all,

Thanks for accepting the invitation to [meeting name]. We will be using Slido to help facilitate our interactive Q&A, collect your questions in advance and hear your feedback via live polls.

To send your questions, please click [link to your Slido event] or go to www.slido.com and enter [your event code].

Tips & Reminders for submitting questions

- Questions can be submitted **anonymously**.
- We encourage you to access Slido before and during the meeting to **review and upvote** what others have posted. We can then address the questions based on the audience interest priority.

If you have any questions about this process, please feel free to contact [responsible person]."

In case you want to use a permanent link to your event, find out more [here](#).
