Host and play

From conferences to meeting rooms to classrooms, bring out the competitive spirit and make learning more social and fun.
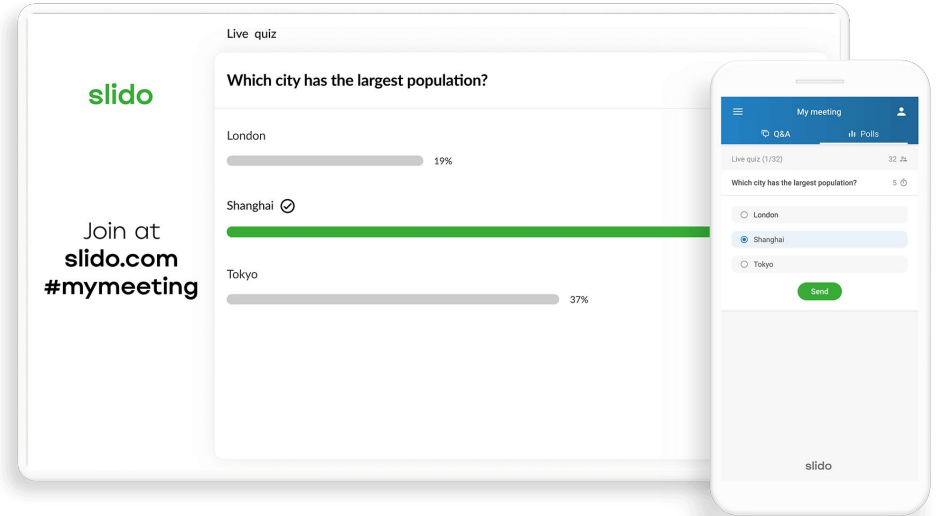

Announce the winners

Announce the winners
Display the leaderboard
with the top players and
give your quiz a big finish!

slido

Use Cases

Events & Meetings

Everyone loves a bit of friendly competition. Host a trivia quiz to create a fun and memorable experience.

Use Cases

Interactive Presentations
Break the ice, recap the content or make the delivery of your presentation more entertaining with a live quiz game.

slido

Use Cases

Training

Assessments don't have to be boring. Wrap up the topic or evaluate participants' learning with a quiz at the end of your training.

slido

Key features

Leaderboard
Display the top players and their scores.

Timer
Add an element of pressure by setting a time limit to answer a question.

The hardest questions
Discover which questions were the hardest and reveal their success rate.
