# OpenJS Node.js Application Developer (JSNAD) Sample Curriculum Path

If you're interested in becoming a certified OpenJS Node.js Application Developer (JSNAD), you may consider following the curriculum path below. Depending on experience level, with these resources and additional research, study, and practice, you can earn your certification in 3-6 months.

## Start by enrolling in this free course:

**FREE**
**Introduction to Node.js** (LFW111)

## Increase your chances of becoming certified on the first try by taking:

**Node.js Application Development** (LFW211)

## Finally, register and sit for your exam:

**OpenJS Node.js Application Developer** (JSNAD)

## Congratulations!

**Upon passing the exam, you are now a certified OpenJS Node.js Application Developer.**
Be sure to add your badge to your LinkedIn, LFX and GitHub profiles. This will help you better connect with those in your community and also distinguish yourself as certified for future prospective employers.

**What comes next?**
After completing your JSNAD, you can pursue an OpenJS Node.js Services Developer (JSNSD) certification as a next step.
