

PERSONAL, NON-COMMERCIAL USE CONTENT LICENSING

TERMS & CONDITIONS

Boston Globe Media Partners, LLC (“**BGMP**” or “**Licensor**”) owns the copyright in Licensor staff-written articles, Licensor staff-taken photographs, and Licensor staff-created illustrations, graphics, videos, audio content, and other content published in print and online by Licensor in its publications (including, for example, The Boston Globe, Boston.com, and STAT and associated newsletters).

In certain circumstances, an individual or organization (typically a not-for-profit organization) (“**you**” or “**Licensee**”) may request, and BGMP may grant, permission to reproduce specific content (the “**Licensed Content**”) owned by BGMP, solely for a specific personal, non-commercial use. “Personal, non-commercial use” means that neither you nor anyone else will derive revenue from or related to the use of the Licensed Content.

Your request for such a license must be submitted by visiting [this webpage](#) and entering the details of the license that you are requesting (“**Licensing Details**”). If your intended use of the Licensed Content is for commercial, editorial, or other business purposes, please instead submit a licensing request through the applicable licensing partner listed on [this webpage](#).

Together with the approved Licensing Details, these terms form the “**Agreement.**” No agreement exists unless BGMP approves, in writing, the Licensing Details that you submit.

Your use of the Licensed Content constitutes your acceptance of these terms and your consent to be bound by the Agreement.
