# TRANSPARENCY REPORT

## FOREWORD

# KCD Bengaluru 2023

## Coming together to make a mark

After the two virtual events, this was our first in-person event and the overall response was phenomenal. With more than 800+ registrations, 25+ sessions, 40+ speakers, and 10+ workshops, we showcased the strength of Kubernetes and the Cloud Native Community of Bengaluru, and India in general.

The event was attended by Developers, Core K8s Contributors, DevOps & SRE Engineers, Architects, Developer Advocates Service Providers, End-user Companies, and many more.

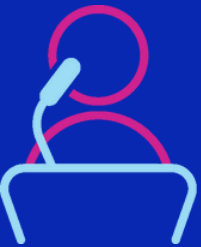

From now on, this event is going to get better YoY.

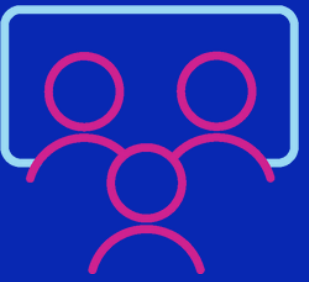

# SPEAKERS & SESSIONS

Renowned speakers from all across India delivered world class sessions on cutting-edge advancements in cloud-native technologies and the widespread adoption of Kubernetes, drawing in over 800 eager attendees.

## STATISTICS

As the trends suggest, participants were earlier interested to attend the virtual events but then we saw a decline in participation in 2022.

But in 2023, we surpassed expectations and had a record number of people attend the in-person event.
