

shops

Hay is blessed with a cornucopia of clever, inspiring, independent shops. Without a chain in sight, you can be assured that our shopkeepers are truly passionate about their wares. Of course, bookshops are what has made Hay famous, but 'there's more to this market town of just 2,000 people! From traditional family stores to stylish clothes shops and antiques emporia, there is something for everyone. For a gift to take back home or a special treat for yourself, you can lose yourself in a special kind of retail heaven in Hay."
