

**Financial Support Request Form (ICODOE 2022) and Registration for Graduate Students, Recent PhDs, and under-represented groups.**

We have received a grant from National Science Foundation (NSF) to help support a limited number of **Graduate Students, Recent PhDs, and under-represented groups in the area of experimental design** for participating at the ICODOE 2022, May 8-11, 2023.

**Do not pay the registration fee now. If you are selected for an award, the conference will pay for your registration. Otherwise, a registration fee will be requested in February 2023.**

**Note:** Completed form should be sent to Manohar Aggarwal through email at [maggarwl@memphis.edu](mailto:maggarwl@memphis.edu) by **January 31, 2023**

Print Name: Last..... First.....

Email address: Gender: Male / Female

Affiliation:

Are you submitting a presentation abstract (deadline 28 Feb 2023)? Yes / No

If yes, specify invited or contributed.

A limited number of contributed presentations can be accepted as talks; please specify your preference for talk or poster or either.

**Recent Ph.D.**
