ABM Approval Form
Accelerated BA/MA Program
(Dual Undergraduate/Graduate Level Credit)

Office of the Registrar
003 Wilder Tower
(901) 678-2810

Students must have an minimum overall GPA of 3.25, reflect Senior classification, and have an application to graduate on file. Qualifying students are allowed to complete a **maximum** of 12 credit hours of Graduate Level coursework (including Combo Senior credit) before receiving their Undergraduate Baccalaureate Degree.

Once accepted into the ABM Program, Graduate School will assign the ABM attribute and the student's advisor or department will assign the student an ABM permit(s) allowing registration into the approved GR Level coursework.

After the first week of classes, the UG equivalent(s) will be added to the student's transcript with a grade of 'IP' (in progress). The student's Degree Analyst will then be able to update UMdegree, allowing the UG equivalent to be counted toward the student's degree requirements. Upon completion, standard grades and credit hours will be applied to the GR Level coursework. A grade of 'S' (Satisfactory) or 'U' (Unsatisfactory) will then be applied to the UG level coursework, reflecting credit hours only.

Approval into the ABM program does **not** guarantee acceptance into Graduate School. Once the student completes their UofM Undergraduate Degree, the student must make formal application to the Graduate School.

Student Information   (Please Print Clearly)

I.D. Number	Name		Date of Birth
Graduation Term	GPA	Degree Program (ie: AS-BA/ACCT)	Email

Course Information   (Please include only one term per form)
