## **My experience in Oman:**

Oman is nothing but wonderful. Everyone was very helpful and kind, especially Dr Anisah Hambali, Mr Hamood, Ms Karima, my lecturers; Dr Al-Mukhtar and Dr Reza of the college of Economics and Political Science, fellow international friends; Dr Yuda, Maya, Christina, Amin & Durriah, my classmates; Zainab, Aya and Wisal and Omani friends; Shahad, Ali, Maria, Minnah and Zaynab. I am grateful to have met these people who made our (myself and Hazwan) experience in SQU and Oman so beautiful.

The modules in SQU - I took two economics modules which were excellent additions to my degree programme at my home university in Brunei. I also took Arabic and had the opportunity to learn basic Arabic language.

The facilities in SQU are great and I absolutely loved the convenience store/mart. The environment - clean and refreshing. The garden in SQU is unmatched. Also, it was easy to go from one place to another, there are ATM, restaurants (Subway!) in the university. I thoroughly enjoyed my experience in SQU.

Accommodation was great, clean and spacious, the location is just perfect; near to University and convenience store is just right downstairs.

My stay in Oman helped me to understand the Oman culture and provided me with a deep insight into Oman's way of life. We also explored beautiful places which I miss very much.

Overall, SQU and Oman definitely exceeded my expectations. 10/10! I recommend everyone to do a semester abroad in Oman.

Thank you SQU and UBD for this one in a lifetime opportunity.
